

The Mightyz range of wellness products are the result of 7 years of research into longevity and wellness. Developed by Scott Rauvers, the author of 5 books in Longevity, each formula has been es-pecially engineered to contain **NO CAFFEINE, NO SOY, WHEAT, DAIRY** or artificial flavors or preservatives. This makes the natural combinations particularly special because they have no long term negative damaging effects, much like sugar does or various soy foods, which can be genetically altered or engineered.

In many formulas prepared by Mightyz herbs are mixed with Spices, creating a nutraceutical combination that synergizes together, allowing the body to absorb more of the formula, with longer lasting results. Synergy also allows the nutrients in the herbs to remain fresher for longer, creating a longer lasting formula. Whenever possible, each formula uses Organic Herbs and Ingredients and is freshly prepared to order. With over 7,000 satisfied customers. Let's explore some of the unique specialty items from Mightyz.

Mightyz Brain Lightning 60 Capsules per bottle

Mightyz Brain Lightning is an all-natural synergistic mix of the most powerfully researched brain stimulating herbs, proven to eliminate mental fatigue and increase mental alertness. Mightyz Brain Lightning is also a safe way to naturally restore your memory, attain laser sharp focus and significantly improve concentration. Its non-caffeine and non-sugar qualities make it especially useful for long term use. Mightyz Brain Lightning can also be used safely to restore harmony, improve information retrieval and add health and systemic balance to your brain without harmful side effects or artificial stimulants. One of the main ingredients is Gotu Kola, a powerful anti-aging herb, revered by the Tibetans for centuries.

Overnight RejuvenEssence

	Developed from herbal stem cell longevity combinations, RejuvenEssence gives you stronger flexible bones, balances the immune system and enhances energy naturally, all without caffeine or sugar. Directions: For best results take 2 capsules before bedtime, 2 to 3 days in a row with a 1 day break in-between. Results are enhanced when taken with anchovies or sardines. Other compatible foods include: honey, chicken soup, Azuki Beans, parmesian or provolone cheese and black olives. Take with a few crystals of Himalayan Salt in spring water for an added boost. Taking Vitamin E the following morning also adds to the beneficial effects. MADE IN SANTA MONICA, CA 90401 Best Before _____	Supplement Facts 60 Capsules per Bottle Serving Size: 2 Capsules % Daily Value Carnosine, Spirulina, Stevia, Brewer's Yeast, Astragalus, † Daily Value not established. The 2 main ingredients in Overnight RejuvenEssence are Carnosine, which ranks 2nd to the anti-aging substance Resveratrol as one of the most powerful anti-aging substances known to man, having been used as an anti-aging supplement for decades. The 2nd main ingredient is Astragalus, known for its powerful immune strengthening qualities and its ability to restore tissues and promote new stem cell growth. After taking Overnight RejuvenEssence, you will have more endurance, more flexible and stronger bones and a stronger immune system. This is the result of an increased number of Mesenchymal Stem Cells

60 Capsules per bottle

Scott's Hawaiian SOD Booster

SOD stands for Superoxide Dismutase. This is one of the body's most powerful natural antioxidants, which declines as you age. When you take SOD you experience a longer term of natural energy gain, due to the body being purged of toxins, and having increased ability to create more energy in the body naturally, all without caffeine or sugars. By not having adequate SOD levels in the body, you become prone to the negative effects associated with aging. **60 Capsules per bottle**

Scott's Hawaiian SOD Booster is one of the few, if not the only multi super-herbal based Superoxide Dismutase Booster available. The only manufactured substances in Scott's Hawaiian SOD Booster are Creatine and Grape Seed Extract, whose sole purpose is to allow synergy to occur with the super herbs, guaranteeing a longer lasting burst of energy when you need it most, as well as supplying a reserve form of energy that can be accessed hours later when your body needs it most. Scott's

Hawaiian SOD Booster contains brewer's yeast which has all the necessary amino acids and super herbs giving your body the nutrition it deserves.

Mightyz Immune System Booster

	As we age, our immune system becomes more vulnerable to bacteria and viruses, leading to susceptibility of contracting the flu and other upper respiratory infections. Boost your immune system with Mightyz Immune System Booster. Included in this special formula are the long immune building herbs Echinacea and Astragalus. Directions: Take 1 to 3 capsules with food. For maximum results take with Plain Organic Yogurt Sweetened with Honey. Take 1-2 hours later take 2 Vitamin C Capsules with Cod Liver Oil. Best Before _____	Supplement Facts Vitamin B6, Cumin Seed, Jigoulan Herb, Astragalus Herb, Echinacea, Cinnamon View the complete line of Mightyz Products at www.Mightyz.com or call toll free at 1-877-977-7708
---	---	--

Because over 70% of our immune system is based in our lower stomach, Mightyz Immune System Booster works on strengthening the body from the very core center. This is why people have been cured, or extremely relieved of arthritis and other "hard to cure diseases" by fasting, allowing the digestive muscles of the stomach to relax and take a break for a while. Mightyz Immune System Booster uses Astragalus and the herb high in natural vitamin C, Echinacea. These herbs are combined with the longevity herb Jigoulan. Cumin seed is high in beneficial phytosterols, which nourish the good bacteria in the stomach.
